Where did you complete your previous studies? (HEC, HEIG, EPFL, others.)

30/30

What do you hope to get out of this course?

34%	Learn more about data science and ML
29%	Improve Python programming skills
28%	Work on cool projects
7%	Just trying to pass the course!
1%	I don't know :/

Menti

How do you typically approach deadlines?

8 I finish everything way ahead of time.

16 I work best under pressure and finish just before the deadline.

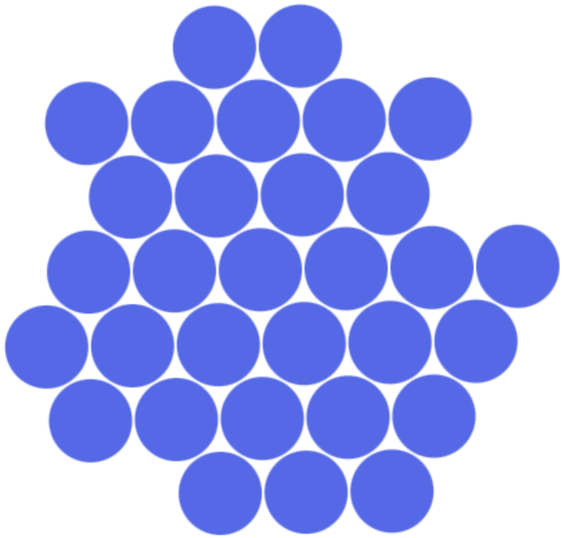

11 I like to pace myself and spread tasks out.

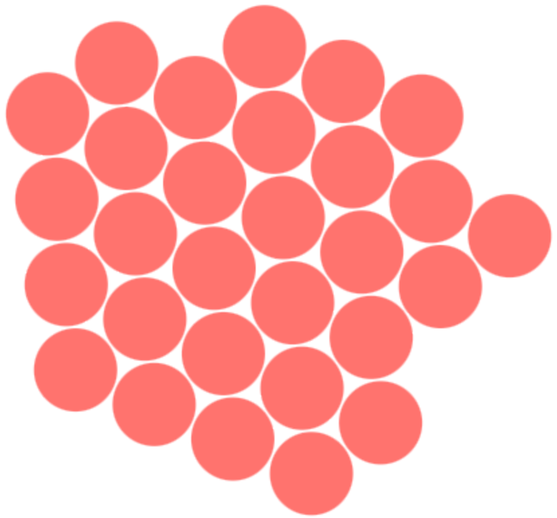

5 I'm a last-minute hero—cramming is my superpower!

Menti

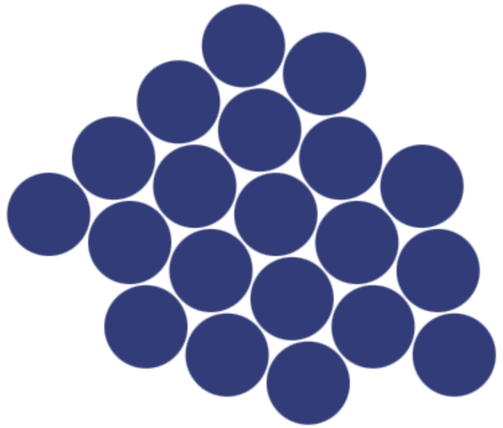

Among those tools, I know ...

31 MS Teams

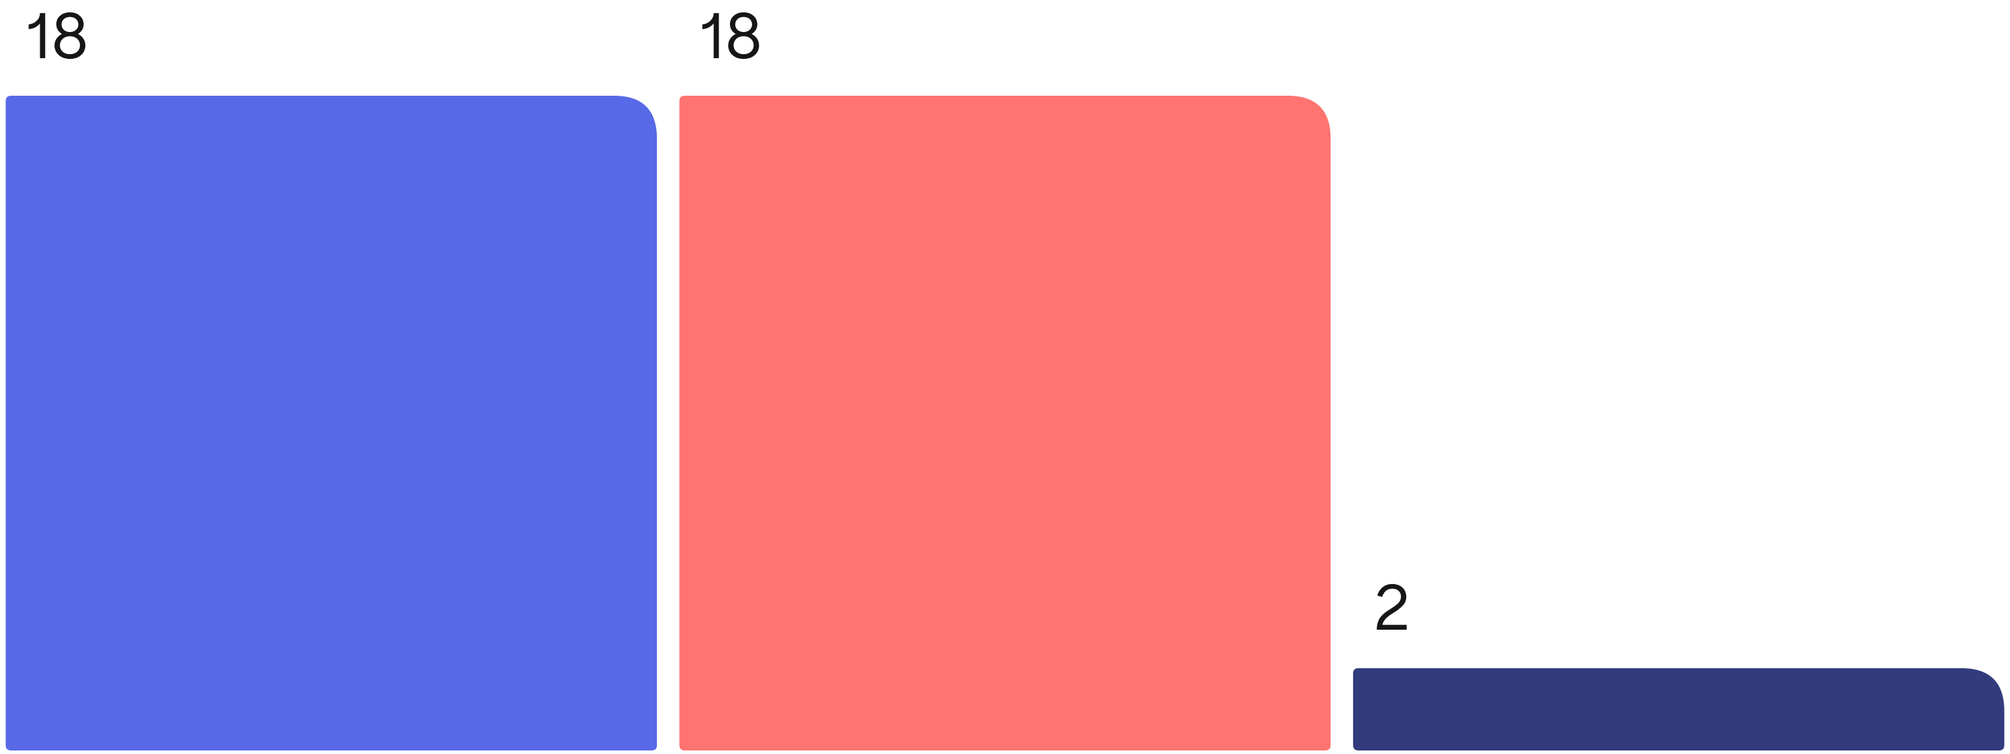

29 Github

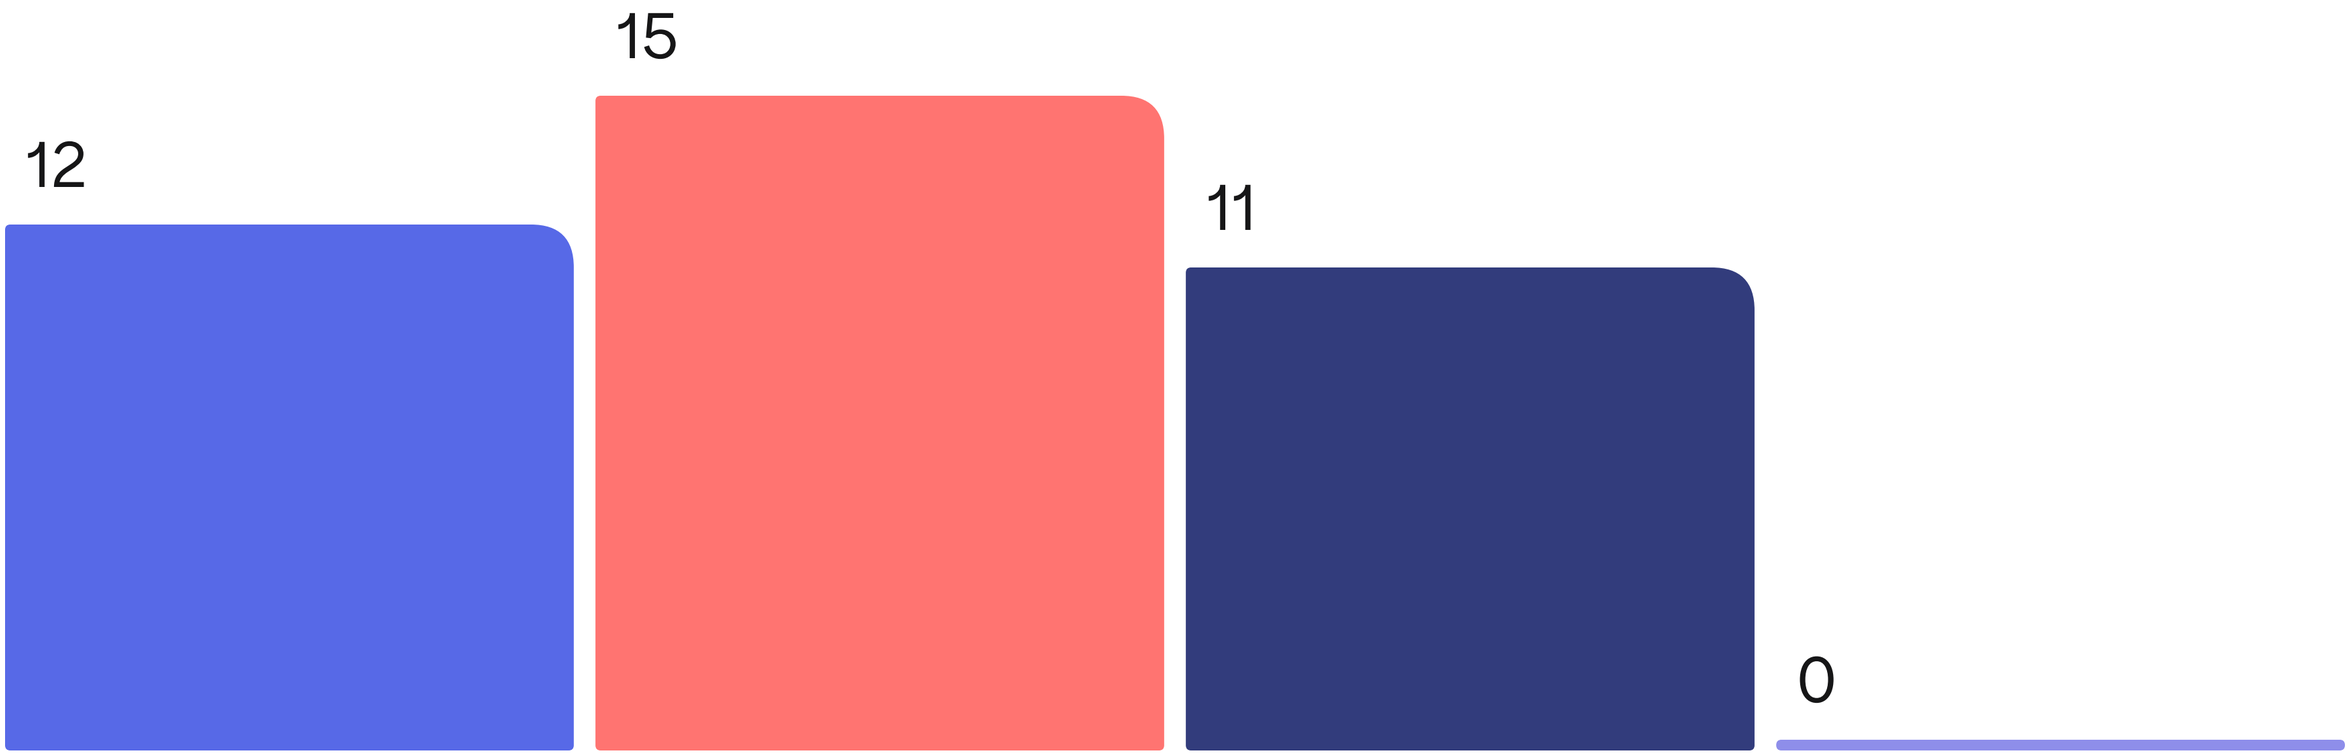

20 Google Colab

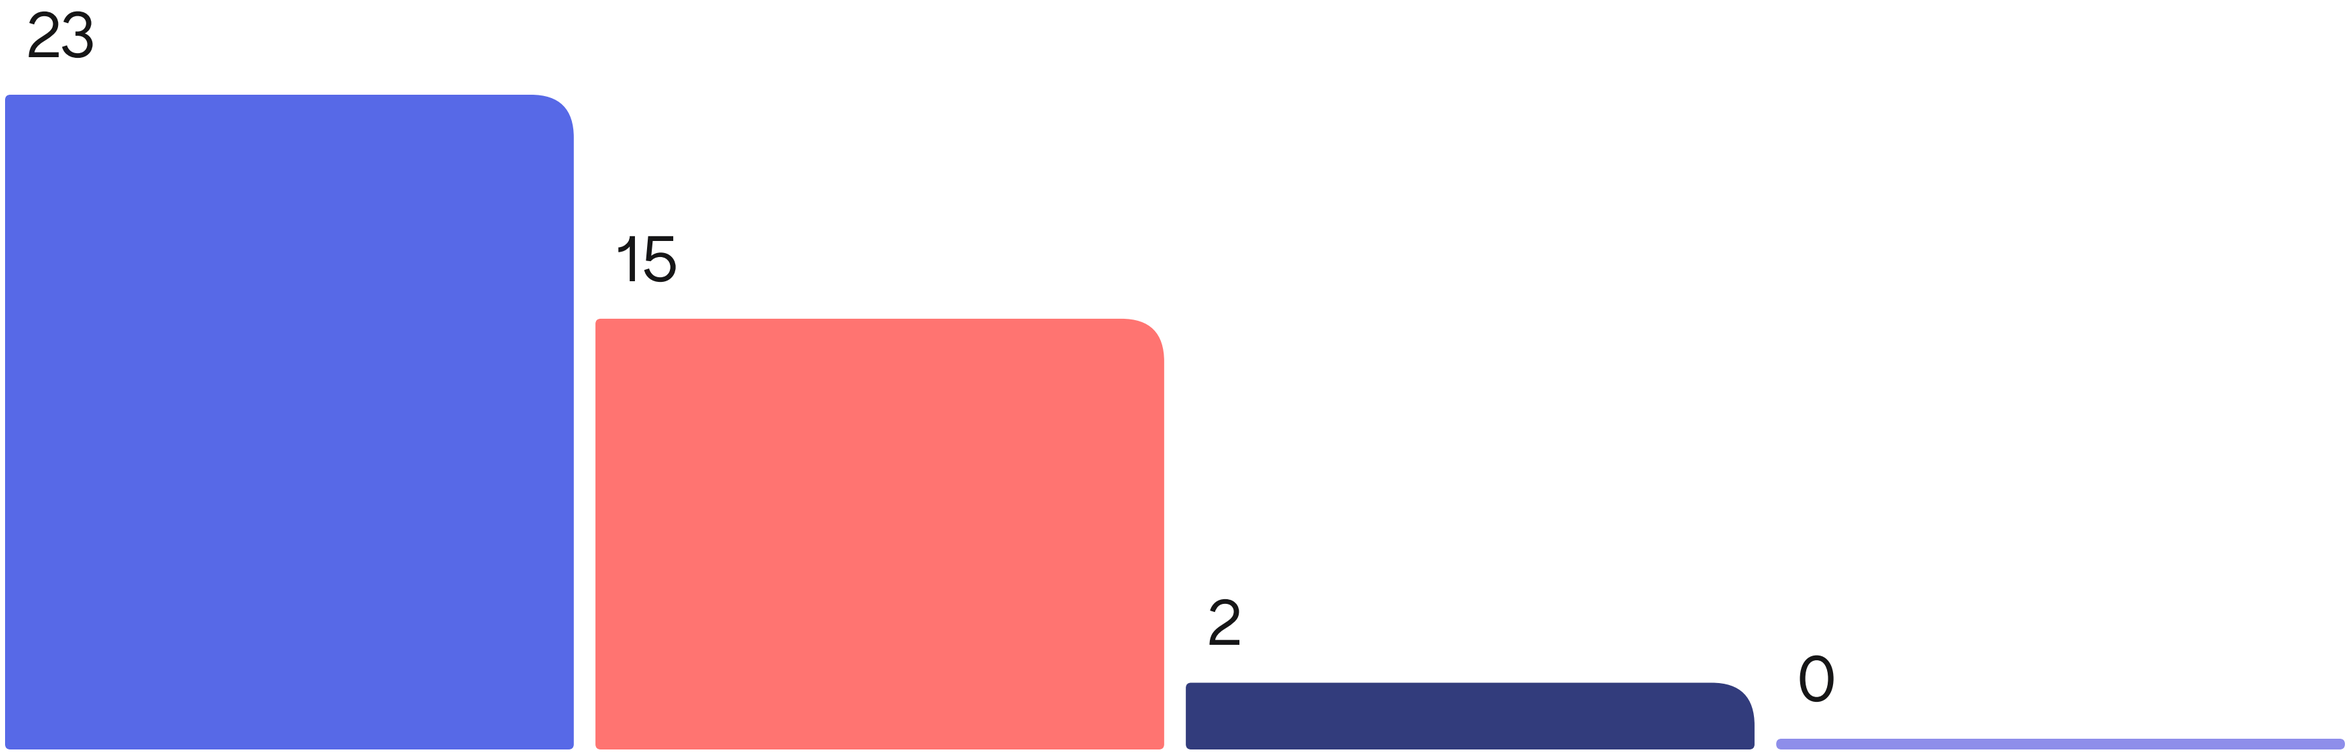

How would you rate your Python programming skills?

How much experience do you have with Pandas?

How often do you use AI tools like ChatGPT, Gemini, etc.?
